TEL EGRAPHIC NEWS.

EVENING DISPATCHES.

WASHINGTON.

Arrival of a Real Estate Agent.

Howard's Report on Stanton.

New York, Jan. 6.

The Herald's Washington special states

that Senator Fajal has arrived with full

power to sell the bay and peninsula of San

Francisco to the United States, on easy and

advantageous terms. A majority of the

Homanian people favor the sale.

A. H. H. Stuart, formerly Secretary of the

Interior under Fillmore, responded to an

invitation to the present session, beginning on

the 15th of January, that he is disinclined to

accept, but that he will be happy to

accept the same privilege as his negro

servant, and says he will be happy to

pass laws for the collection of revenue.

The Tribune's special says Senator

Howard, in making up his report in the

Senate case, confined himself principally to

the constitutional questions involved and

the charges preferred against the

Secretary by the president. It is not

likely that the report will be of much

importance in the Senate, as the

constitutional question of the Tenure of Office

is involved.

It seems a majority in the Senate

favor the cotton-tax-repealing bill as

passed by the House.

Senators from the Southwest are strongly

urged by their constituents to go for the

House bill stopping construction of the

cannery.

dinary session of Congress on the 25th of

December.

In a duel between Colonia Mejia and

Garcia, the latter was fatally wounded.

Colonel Barron had arrived to arrange

the affairs of the great Barron estate.

The Vice of Cuernavaca had been

driven off from the city.

Morales, who had been kidnapped by

brigands, paid \$50,000 for his ransom.

Congress was inaugurating measures to

suppress brigandage.

The English Legation left the City of

Mexico for Vera Cruz Dec. 30.

Mr. Plumb, American Charge d'Affaires,

has taken possession of his office, and

has a banquet to the American Legation of

Honor on Christmas.

General Viesca is suspected of having

influenced members of Congress to vote

in favor of general amnesty.

NEW YORK.
